How much do I have

Bjarni paid me 26 silver pennies because I sold my teacher as a slave. Then I brought 2 cows for 13 pennies each I gave one cow away to my best friend and sold the other cow for 16 silver pennies, I then brought 12 apples for 3 silver pennies and am afraid I sold them for 2 silver pennies. The head teacher then told me I had no right to sell my teacher to Bjarni, so I gave my head teacher 5 silver pennies and the head teacher said the teacher was not worth that amount and gave me 1 silver penny back.

The following day I lost 3 silver pennies, but my best friend gave me 14 silver pennies because I was so good looking. Then with out thinking I brought a really nice smelly sock for 11 silver pennies and then I counted how many silver pennies I had left.
