

# Trading

Bjarni's dad always told him if you can't trade and count then people will rip you of and you will always be poor. So this game should help you get rich as you get older.

1. Bjarni has 15 silver coins he buys his mum a silver ring for 7 silver pennies how much will Bjarni have left? \_\_\_\_\_
2. Stycar a Viking trader and moneylender has offered Bjarni a good deal. If Bjarni lends him 10 silver pennies for 1 week he will give Bjarni double his money back, how much will Bjarni get? \_\_\_\_\_
3. Bjarni is watching a Viking wrestling match between a Danish Viking and a Swedish Viking and his friend Astrid says she will give Bjarni 3 to 1 if the Danish Viking wins (this means if Bjarni puts 1 silver penny on the Danish Viking and he wins the wrestling match, Bjarni will get 3 silver pennies back i.e. 3 to 1). Bjarni tells Astrid he will put 2 silver pennies on the Danish Viking and would you believe it the Danish Viking wins. How much does Astrid have to pay Bjarni? \_\_\_\_\_
4. Bjarni buys 4 bags of wheat for 6 silver pennies he sells them to Eadric for 2 silver pennies per bag how much profit has Bjarni made? \_\_\_\_\_
5. Bjarni has a new woollen tunic and he swaps it in the market for a new same size linen tunic is this a good trade? Y/N \_\_\_\_\_

6. If there are 9 spears and 3 swords and the spears cost 2 silver pennies each and the swords 4 silver pennies each. How much would Bjarni need to buy them all? \_\_\_\_\_
7. Bjarni dad has given him 12 silver pennies. His dad told him he must give each of his 4 sisters 2 silver pennies each and he must give his 4 brothers 1 silver penny each. How much has Bjarni got left? \_\_\_\_\_
- 8 . Bjarni has gone to his favourite place the wine merchant he wants 25 litres of wine, but the Merchant only sells wine in barrels, which hold 5 litres of wine. How many barrels will Bjarni need to buy? \_\_\_\_\_
9. Bjarni is doing his bit for charity "Help the Homeless" well the Vikings did burn down quite a few Saxon houses. Any case Bjarni has been at the market all day selling kisses for 1 silver penny. This wasn't one of his best ideas because the only people who brought a kiss of him all day were his mum, Nan, and the mad ugly woman. How many silver pennies did he get? \_\_\_\_\_
